

# Careers in Chemistry

## Registration Form

Hosted by the Women IN Chemistry (WINC) group of the Royal Australian Chemical Institute.

[www.raci.org.au/branches/vic-branch/women-in-chemistry-group](http://www.raci.org.au/branches/vic-branch/women-in-chemistry-group)

July 18<sup>th</sup> 10 am until 12pm

Please note that there is a strict limit of 9 student attendees per school. Only the first 75 registrations will be able to take a tour of the Australian Synchrotron as places are limited. At least one teacher is expected to attend per school, however more can be accommodated. As morning tea will be provided, please list any dietary requirements and allergies for catering purposes.

Registration is free but unfortunately transport to and from the Australian Synchrotron, 800 Blackburn Road, Clayton, 3168 is **not** provided.
