

THE ROYAL AUSTRALIAN CHEMICAL INSTITUTE
The NSW Analytical and Environmental Chemistry Group

POLLUTION MANAGEMENT SEMINAR
2pm Wednesday 18th of September 2013
11 Julius Avenue North Ryde

In this event recognised professionals from different areas will deliver presentations that allow learning and sharing experiences about the management and practices of industrial pollution incidents. This half-day event offers an excellent opportunity to network with participants drawn from the industrial sector, legal bodies and specialised divisions that participate in the pollution management process.
