

2013 Physical Chemistry Division Medal

The Division of Physical Chemistry invites nominations for the 2013 Physical Chemistry Division Medal. The Medal will be awarded by the Physical Chemistry Division in recognition of outstanding contributions by an individual to the field of Physical Chemistry in Australia.

Nominations may be made by the person seeking the award, or by any member (or members jointly) of the RACI. Nominations made by a third party must be accompanied by a signed acceptance of nomination by the candidate.

Nominations should be made in writing and include all supporting documentation appropriate under Rule 1 (see below), up to a limit of 20 pages, in electronic form to

Prof. Michelle Coote
Secretary, Physical Chemistry Division, RACI
Research School of Chemistry
Australian National University
Canberra, ACT, 0200
mmcoote@rsc.anu.edu.au

Nominators are responsible for two referees reports to be supplied to the Division Secretary by the close of nominations. Queries may be directed to Prof Coote at the address above or by phone (02)6125-3771, fax (02)6125-0750, or email: mmcoote@rsc.anu.edu.au.

Conditions of the Award

1. The R.A.C.I. Physical Chemistry Division Medal shall be awarded in recognition of outstanding contributions to the field of Physical Chemistry in Australia. Contributions to any or all of: research, teaching, industry and service to the Division will be considered in making the award.
2. The recipient must be a member of the Royal Australian Chemical Institute.
3. The Award shall consist of a Medal and free registration at the next Division Conference in Hobart, 3-6 December 2013, where the recipient will be expected to deliver a Plenary Lecture.
4. The Selection Committee for the Award shall consist of the Division Chair, Secretary, two previous Chairs, and other such persons to be nominated by the Chair as required.

Applications close Friday 28 June, 2013.
