## Titration Stakes

Resources and Chemistry Precinct, Curtin University  
Tuesday 26 June

For more information contact: Dr Maree Baddock, [ts2007@bigpond.net.au](mailto:ts2007@bigpond.net.au)

## Crystal Growing Contest

Deadline for submissions **26 October 2012**  
(end of the second week of term 4)

For more information contact: Assoc Prof Mauro Mocerino, [m.mocerino@curtin.edu.au](mailto:m.mocerino@curtin.edu.au)

## Bayliss Youth Lecture

**Super toxic chemicals, clan labs and halitosis**

Dr Bob Muir, ChemCentre

Join Bob as he blows apart the myth that chemists spend all their time in the lab wearing white coats and ignoring the outside world. With a fascinating and diverse career path that has covered everything from chemical warfare agents in the UK to the cleanup of clandestine drug laboratory sites in Australia, Bob will discuss his experiences working in a modern chemistry setting and share some of the stories he has encountered along the way.

**University of Western Australia:** Tuesday 13 March

**Murdoch University (Rockingham Campus):** Monday 19 March

**Curtin University:** Tuesday 20 March

Additional lectures later in 2012 for other locations are currently being organised.

For more information contact: Assoc Prof Simon Lewis, [s.lewis@curtin.edu.au](mailto:s.lewis@curtin.edu.au)
