Season's Greetings from John Wiley & Sons!

As a way of saying Happy Holidays, we are offering members of our community a special **40% discount** on virtually all of our print books!* From must-have cookbooks to bestselling travel guides and everything in between, we'll help you find the perfect books this holiday season.

To avail yourself of this offer you simply need to:

1. Visit the **RACI** / Wiley landing page (and register if this is your first visit): <http://www.wiley.com/WileyCDA/Section/id-420389.html>
2. Start shopping and enter the code **'HAPPY'** at the checkout to get your 40% discount.
3. This offer lasts until 31st December 2011, after which your usual Society Discount applies.

Discover More Ways to Save

For more opportunities to save, join Wiley's [email service](#). In addition to hearing about more special offers, you'll find out about new products, author appearances, and more.

***Excludes Higher Education and School Books**

How to Register and Purchase Books

Members within Australia and New Zealand:

1. Click on the link to your Online Book Discount Program Landing Page above
2. If this is your first time visiting Wiley online, you will need to register. Note that if you have opened a previous account with Wiley.com before the standard discount offer was available, you will have to register using another email address to obtain the discount
3. Click on the Wiley logo at the top of the page, or the subject link next to the society logo to browse books, or select titles on the Landing Page
4. Select titles and then click 'Add to Cart'
5. Click on 'Continue Shopping', or 'Proceed to Checkout Now'
6. The standard discount will be applied automatically and the special 40% discount can be activated using the promotional code above.

Members outside Australia and New Zealand:

Complete steps 1-5 as above, to obtain the standard discount enter the promotional code as shown on the Book Discount Program Landing Page or enter the special code above to apply the 40% discount before clicking Checkout Now.
